WELCOME

Sally Roberts

CEO & Founder Wrestle Like A Girl

Greetings and a warm welcome to the 2024 National Collegiate Women's Wrestling Championship!

We are delighted to be here today to celebrate the power and strength of women in sports. This championship is more than just a competition; it represents what can be achieved when our nation and wrestling ecosystem come together to uplift and support girls and women who wrestle.

This event is also a celebration of each of you who have borne the battle to support our female wrestlers – America's future leaders - to overcome barriers that have long been standing in their way. We are making good on the promise that was made that to our sisters, daughters, and mothers 51 years ago that, "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

As we take a step forward towards making women's wrestling an NCAA Championship sport, the next step in officially establishing the sport within the NCAA, we would like to extend our heartfelt gratitude to all the stakeholders who played a crucial role in making this possible. Your unwavering support and dedicated efforts have helped us come this far, and we are grateful for your contribution.

However, there is still much more work to be done. We need more coaches, officials, financial and fund investors, and supporters to develop women's wrestling and create a robust foundation for future growth. By doing so, we can create a more inclusive, enriching, and diverse landscape for everyone.

We are grateful to have you all here today and be a part of this momentous championship event. Let us join hands to empower women and make a difference in the world of sports.

Sincerely,
Sally

Jay Fanta

Director Of Sports Tourism
Cedar Rapids Tourism Office

Greetings,

Welcome to the City of Five Seasons. It is a pleasure to host the 2024 National Collegiate Women's Wrestling Championships here in Cedar Rapids! The Alliant Energy Powerhouse & DoubleTree Convention Center Complex is a first-class venue, providing an excellent experience for athletes and fans.

Cedar Rapids is annually named one of the Best Places to Live by Livability, and we believe one of our main strengths as a community is the genuine hospitality offered to our visitors and guests.

With a population of 137,000 we are able to foster this "small town" friendliness in the midst of big city amenities. We have developed and are further enhancing our downtown area into a center for business, sports, the arts and entertainment.

We hope after your stay in Cedar Rapids that you will agree there is something special going on here. Thank you for visiting and competing in our city!

Sincerely,
Jay Fanta

"I saved \$2,400 per year in software costs by switching to WrestlingIQ. This change dropped my credit card process fee by .5%. I was able to reduce my admin hours from 20 to 4 hours a week. Overall WrestlingIQ eliminated many of my headaches and my club netted \$5,000/year in additional profit. I loved it so much I reached out to the founder and got involved to help other clubs get on board."

**BUILDING YOUR WRESTLING PROGRAM:
HOW TO RECRUIT NON-WRESTLERS**
Jacque Davis

"People think the worst about themselves. I'm too big, I'm not strong. Actually. No, you're not. You can be super flexible, super fast, super big, super small, and super strong... you are an impeccable learner. Talking about fears in the beginning, and encouraging people to try it anyway, makes people more receptive to it."

**ENSURE YOUR TEAM
DOESN'T FALL BEHIND**
Emma Randall

"I was able to show them that I loved and cared for them, that I believed in them, so that they still want to maintain that relationship years down the road and share their wins and losses with me. I think that's really meaningful. My coaches have made a huge impact in my life, if I can do that for somebody else, I would love to."

**GAME
KNOWS GAME.**

Don't let pain or injury keep you from playing.

We know you. You work hard, and play hard, with poise, perseverance, and pride. You expect the best—from yourself and others. So, when an injury happens, turn to the sports medicine team trusted by the Iowa Hawkeyes. We'll get you back in the game with expertise, confidence, and care. It's what you expect—and we do, too—because life's not meant to be sitting on the bench.

Schedule with a UI Health Care sports medicine specialist and get back to what you love—no referral needed.
